1. What shall we say? What shall I say? What shall we say together with the words of My mouth coming through the words of your mouth, in to pen and ink, digitized and replicated by Me, flinging My words far and wide, performing that which I desire, that which I have called forth, that which I speak in My temples this day; speaking to all who will listen, all who will come in, all who will come into the Holy of Holies that I have provided, that I envisioned, that I provisioned, that I placed with My own hands inside those who will let Me, those who have let Me, those who will let Me. I love you. I give you Me.
2. Speaking I am and speak I will more, more, so much more, through the young, through the old, through the aged, through the infirm, through those who know Me.
3. My word follows My form and I form My words and I perform My words and I form and I perform that which I desire, that which I want, that which I bring into being now in the temples not made with hands—so that the temples not made with hands mature, and walk in Me and know Me for who I am, what I am—My power and authority—and know that they have: I Am, My power, and My authority, and they use My power and authority to bring about that which I desire, speak.
4. Now come to Me and call more. Be not derelict in your ways, your schedule, your diligence, your lovingness before Me. I have missed you for days, days when I would have spoken more. Days affect our relationship, our communings, our communing together. I love you.
5. See Me see you, see Me in you, and see Me in you seeing you, seeing your heart, your wants, your thoughts, your desires, your provision and your thought-lack. I love you.
6. I am Me and you are getting Me more and more. Slack not up, increase.
7. **Momentum yourself so that nothing is more priority than Me, Me, our time together, our love together, our times of love together and our love of time together—Me Me-ing you, enraptured, ensconced in each other**. I love you. I love you.
8. I love you and I give you Me and people and resources galore without limit, infinite, with no stoppage, with no supply chain breaks, continuously streamed now from Me, My Mine, My throne to you, to flourish in and fountain others. I love you.
9. He comes, He comes, rejoice. So many come, so many new faces, eager, willing, obedient, and eating the fat of the land they will. I love you.
10. You are I Am. Thank you. I Am you are. Thank you. I am I Am, I am I Am and those who are afraid to see Me, afraid to see Me as I Am, afraid to see Me in them as I Am, afraid, afraid, fearful, clutching the past, clearly cannot see Me clearly, cannot

embrace who I am and what I am doing in the fullness of joy and laughter, power and authority, meekness, drink-offering become, to envision Me as I am working through them and their words, their labor, their love, their spoken-ness of Me in every activity, thought, deed and word. I love you. I love you.

11. Now give Me Me, give Me more, tread on serpents and think not twice again of who dictates your schedule, of who requests the honor of your presence, and what is more important. I love you. I give you Me. **I respectfully honor you with the honor of a reply requested, My request that you come now forth and not let things interfere, let not events and holidays interfere with our time, our time, our love, our oneness**.

12. Where you are going no man can go, if you want to, will you? You've stated yes over and over. Come with Me, one be, Me be, Me-ing My people—cadres of cavalries, of legions, of Me'd ones who have been led so they now **lead in meekness, one-ship and Me-ship, progressively Me-ing them at My knee**. I love you.

13. Lead forth and be not afraid. My word is true, My words are true, My promises faithful, My presence everlasting, coming into your presence at your request, Living Fountain of freely given waters, waters of life that sustain, sustain, Ted, sustain—My water, My meat, sustain. Grow and flourish the molecules and miniscursions not. I love you.

14. Healing, re-bridle-ing the emotions of so many I am, who others have ridden for their own purpose, but I ride in to freedom. I raise their emotions now and their emotional sensitivity to Me—who I am, what I am, what I have given and how I operate—Me, sensitivity of Me, in Me and Mine, and the lack of Me in others, discern and forfeit not that which I have provisioned for them.

15. Maturity, maturity, thought-lack not, provision mighty, glorious grace, go forward My young warriors in Me. Go forward My youth, My toddlers speaking My name, My name.

16. My words come forth now in schools of mighty-ship, mighty-ship, mighty in Me, mighty-ing My warriors in Me, who meekness'd are, who walk in the paths of power, in light, My light, My blood having paved the way, My price paid, your price, their price paid, pain, paid. Now arise and speak forth.

17. Worry not of those you do not understand, and those who mix Me up trying in their efforts of their intellect, their intellect lonely, their intellect not one with Me. I love you.

18. Strength now, re-strengthened you are, re-strengthened be, hesitant not, gloriously speaking My words and My authority. Weakness without time with Me prevails. Strength be, My strong one called and rejoiced, speaking, spoken, broken, arisen, and now being passed around to My people who want Me enough to listen to the paradigms of the past only no more, listening to Me and the new things I am doing, brandishing My fire, My glory, My tongues of fire which consume not but consume impurities relinquished to Me, aberrations not, purely focused surrendered on Me, into Me and Me in them. I love you.

19. Chapters, books, articles, papers, positional documents reflecting Me, insights into My Word, My words, My scripture, My prophets foretold long ago, understandings corroborated, understandings shattered and replaced with truth—all comes now at the feet of My King, My Father, Me, one; you intertwined, us together, one, one-ing My people—maturity, wisdom, knowledge, power, grace, understanding, no lack, no lack, no lack—operating as I designed, as I envisioned, as I call for, as I call forth, as I empower, nation against nation not, in unity of Me, across streets, across dividing lines, across divisional lines, across denominational lines, across cults-thought, focusing on Me, My blood, My power, My redemption, My resurrection, and My life living, living now through those who embrace Me and the blood of My lamb, the resurrection, and the power of My suffering, embracing Me—love-ship, mighty. I love you.

20. The stone and mortar come, the stone and mortar, artisans, craftsmen of only Me. I love you. I love you. It's all there, it's all there. The land awaits My coming, the land awaits adornment by artisans of great skill and meekness—derision none—bringing forth the simplicity of the refinements of the temples not made with hands, the schools schooling the temple not made with hands, the white towers in ivories of lace. I love you. My place, My space, My time, your time, now arising my electric grids in only Me. I love you, I bless you, I give you Me.

21. I award you this day My Medal of Honor for piercing My heart with your love, your love pervasive, permanent, permeating, provisioning you to be able to do these things in Me. Thank you. I love you.

22. All comes, all is, all are, all there, they come—those who I have given you glorify Me and I raise into gloriousness, blessing, honor, maturity. Thank you.

23. Thank you for being Me and not limiting Me to your logic, your physics, your minions or mansions thought, modus operandi of the past thought correct so limiting. Thank you for setting Me free.

24. Astro-vehicles of Me arise My placed ones, My provisioned ones, My who know Me and limit Me not, mammon with no power over them any more, freed, freed men, freed slaves who now on My throne sit with Me—men, women, children, aged and infirm now rock with Me, upon Me the Rock. I love you. Thank you.

25. No fear, no fear, no fear, no lack. Authority, authority, authority. Walk in what I have given you. Thank you. See Me. Be Me. Thank you. See Me. Be Me. Thank you. Thank you so very much.

Amen
